THE TIMOTHY L. BARBER

MEMORIAL SCHOLARSHIP FUND

Timothy Leon Barber will long be remembered by family, friends, and co-workers as an involved member of his church and the community, dedicated to improving race relations and the quality of life for all. It is difficult to put into words the effect which Tim had on people's lives. Tim shared his love of God and his vision for a better future with all he met. It is often said that he accomplished more in his short years than many do in a lifetime.

Tim was an active member of the Antioch Seventh-day Adventist Church in Williamson. Using his musical talents, he served as the church chorister and provided pleasure for everyone as lead singer and soloist with the Antioch Ambassadors. He also served as Sabbath School Secretary and Assistant Adventist Youth Society Leader.

At the Williamson High School, Tim was a member of the school choir, the basketball team and the track team. Graduating from Williamson High School in June of 1987, Tim had made plans to attend Oakwood College in Huntsville, Alabama in the fall.

Tim's clear thinking, self-confidence and articulateness was recognized by many. As a Board member of the Wayne County Youth Bureau, Tim actively participated in making decisions regarding youth programs and their funding. He also was an accomplished public speaker, addressing those gathered to honor Martin Luther King in January, 1987.

Tim cared deeply about his family and each person he met. He served as a volunteer at the St. Joseph's Villa group home.

Although Tim was the youngest of fourteen children he was looked up to and respected by all members of his family.

He was an inspiration to his peers as well as adults. Tim encouraged young people to look at the world as it is and to look for ways to make positive changes. His vision of the world was a model for each of us, a world in which all young people could have the opportunity to achieve their highest goals. Tim's concern was that young Black students have this opportunity and worked hard to remove the barriers to their success.

Tim was an active member of Wayne Action for Racial Equality (WARE) and gave meaningful guidance to the adults around him on the best ways to achieve racial equality for students in the schools. WARE members feel that the most appropriate way we can honor Tim is to help other young students go to college. Therefore we have established the Tim Barber Memorial Scholarship Fund.

Our goal is to raise a minimum of \$10,000 so that we can make a yearly award to a graduating Wayne County high school student who is pursuing higher education. This award will be given to the young person who, like Tim, has made a positive impact in the community, especially with regard to eliminating racism. Financial need will also be considered.
