## Wayne County Fire Equipment Show

June 5, 2010

To: Fire Service / EMS Vendors and Friends

From: Wayne County Fire Chief's Association

Re: 2010 Equipment and Trade Show

The Wayne County Fire Chief's Association is pleased to announce the basic plans for the 2010 Wayne County Fire Show. As a vendor of quality Fire Service and EMS apparatus and equipment, your participation is critical to our success. You are hereby invited to display trucks, ambulances, tools and equipment related to the fire service or safety. Also welcome are items pertaining to fire prevention, public education, command, administration and other support areas, as well as unique or historical items related to the emergency services.

This year's show will be held on Wednesday, August 18th and will run from 3:00 PM until 7:30 PM at the Quality Inn located at 125 North Main Street, in downtown Newark. This will be our third year at this location, which offers a lot of amenities for your comfort and enjoyment. Based upon the positive feedback that we received, we will be setting things up much like we did last year. We anticipate that most of you will once again prefer outdoor display areas. In the event of inclement weather, indoor areas will also be available. We will also have drafting sites available across the street at the canal park as well as docking space for water craft or water safety equipment demonstrations. All other apparatus will be displayed in the front and side parking lots of the hotel. There will be no charge for any display space.

In the event that you might require lodging, the Quality Inn will be offering a special rate for guests affiliated with the show. The show rate will be \$73.95 which reflects a \$36.00 savings off of the regular rate. Please secure your reservations in advance by calling 315-331-9500 and ask for the special deal. Burnham's Canalside Restaurant is also located on the premises with a lounge and a full service menu. This year, like last year, Burnham's will be offering an outdoor food booth offering hotdogs, hamburgers, sausage, sweet corn, various drinks and other items. To reserve your free space, please complete and return the enclosed entry form. In addition, we will be conducting a 50/50 cash raffle along with other prizes to help defray our costs. Prize donations are requested to help us with our raffle which in turn helps us out with our costs for this show. For questions please call one of the contacts listed below. We hope to see you there!
