The eligible list will be used to fill vacancies as they occur within the Wayne County Mental Health Department.

Minimum Qualifications: Four years of experience in working under professional supervision with patients or clients on assigned aspects of their social, health, education or rehabilitation problems in an agency or institution adhering to acceptable standards.

NOTES: A maximum of two years of study at a regionally accredited or NY State registered college or university may be substituted for the above experience on a year for year basis.

Duties: Performs a variety of duties of a sub professional nature in a local mental health agency to relieve the professional staff of administrative, clerical and more routine activities relating to the administration of mental health services; does related work as required.

Subjects of examination: A written test designed to evaluate knowledge, skills and /or abilities in the following areas:

1. Applying information These questions test for the ability to apply simple information. You will be given a Resource Directory that describes community agencies, their purposes and the type of client each serves. Questions describe clients with a variety of problems and situations. You must determine the appropriate referral for clients based on the services which each agency provides.

2. Interviewing These questions test for knowledge of the principles and practices employed in obtaining information from individuals through structured conversations. These questions require you to apply the principles, practices, and techniques of effective interviewing to hypothetical interviewing situations. Included are questions that present a problem arising from an interviewing situation, and you must choose the most appropriate course of action to take.

3. Preparing written material These questions test for the ability to present information clearly and accurately, and to organize paragraphs logically and comprehensibly. For some questions, you will be given information in two or three sentences followed by four restatements of the information. You must then choose the best version. For other questions, you will be given paragraphs with their sentences out of order. You must then choose, from four suggestions, the best order for the sentences.

4. Working with people with mental and emotional problems These questions are designed to test for a knowledge of general approaches or techniques to use in situations dealing with people with mental and emotional problems under a variety of circumstances.
